

PAST

Every guest has a story of their own. A lifetime of friends, family and experiences.

We want to hear your journey so we can best care for you.

PRESENT

A change in your health, is a change in your life and mindset.

We understand your world just shifted and we're here to care for you.

FUTURE

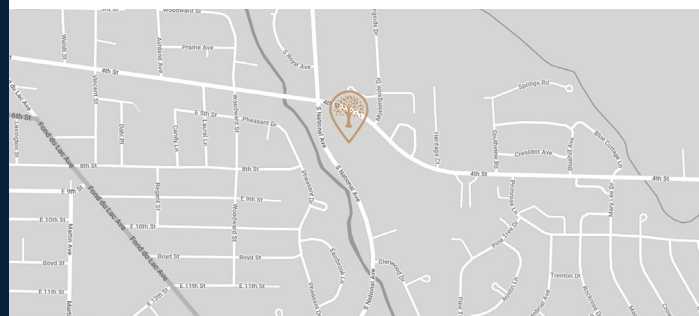

*Our goal is to get you back on your feet, get you back home...
Back to being you!*

Edenbrook of Fond du Lac is dedicated to delivering excellence in post-acute rehabilitation and long-term care by providing a safe, nurturing environment coupled with fresh holistic approach toward healthcare. Delivered by a dynamically talented team of healthcare professionals, Edenbrook of Fond du Lac encourages its guests to achieve an overall state of happiness, independence, and good health. Our employees serve from the heart so that you get the most out of every day. Come discover our caring and compassionate staff that will treat you and your family like family.

- Enteral tube nutrition
- 24 Hour IV Antibiotics
- Pain Management

YOUR CARE

ADMISSIONS MADE EASY

24 Hours A Day, Seven Days A Week

Upon arrival, a care coordinator will schedule a conference with you and your family. Together we will map out expectations and goals for your stay and answer all your questions.

At Edenbrook of Fond du Lac, we understand that the admission process can seem overwhelming. For that reason, our Admissions Director is assigned to ease the transition for you and your family member.

- We will make the follow up arrangements for hospital transfers and physician orders needed for admission.
- Our staff members are knowledgeable about federal and state regulations, financial requirements, and insurance reimbursements.
- We will assist you in getting the Medicare and Medicaid benefits available to you.

REHABILITATION

Residents can participate in daily group activities, or choose to enjoy independent activities from the privacy of their own room.

Private rooms are designed to meet the needs of patients requiring short-term intensive therapy services to reach independence and return to their preferred place of living.

REHABILITATION SERVICES

Our specialized treatment programs address many common health conditions. They have been developed around medical research using proven rehabilitation procedures. Our staff provides innovative treatment approaches to assist patients in returning home to a normal lifestyle.

Our Therapy Team Includes:

Short-Term Rehabilitation

- Strengthening and mobility
- Balance and gate training, ambulation
- Transfer techniques

Occupational Therapists

- Activities of daily living
- Fine motor skills and eating skills
- Splinting and positioning
- Upper body strength and mobility

Speech Language Pathologist

- Communication skills
- Cognitive training
- Dysphagia treatment program

Therapy available 7 days a week

ACCEPTED INSURANCE

Medicare, Medicaid, private pay and most insurances accepted.
(*Please note this may vary by location.)
